Dear Ms Fay,

I am writing to thank you for your company's very generous donation to *The Constable Care Child Safety Foundation (Inc.)*. Through your donation, the students at our school received some great prizes in support of the messages presented by the Constable Care Education Team. We are very appreciative of your financial support of the foundation which allowed them to supply the merchandise they needed to enhance their shows.

The "Playing Safe" puppet show, presented to our younger students, incorporated aspects of bike safety, crossing roads and stranger danger. The "Back Track" interactive play, presented to our older students, tackled the issue of graffiti in the community and the importance of respect for other people's property, focussing on the necessity of "thinking before acting" and what can happen as a result of lawless behaviour.

The educational messages portrayed in the shows were greatly enhanced through the use of the sponsored merchandise, so again I thank you for your direct support of the foundation, and your indirect support of our students here at Our Lady of the Cape.

Yours sincerely

Dear Amanda,

Margaret River Primary School has recently had the opportunity to have a presentation by Constable Care at our school.

We wish to acknowledge the generosity of your sponsorship of their merchandise. The children very much enjoy these presentations which come with a very valuable message imparted in a fun, interactive way.
